Guidelines for Workshop Participants, Oral and Poster Presenters

1. for all Participants
   - You can connect the Wi-Fi router in accordance with the following information at the venue.
   - SSID: iis-visitor (never appears automatically, please input manually)
   - Passphrase: Komaba2Seiken

2. for Oral Presenters
   - Please use your own PC for your presentation.
   - Please declare that you have arrived at the room to the chair-person before the session starts.
   - Please check connecting your PC to the projector before the session starts.
   - We prepare “D-Sub 15 pin connector (below pictures)” only to connect a projector.

   ![D-Sub 15 pin Connector](image)

   - Please set the monitor resolution to SXGA (1280 x 1024 pixel) or less.
   - Each speaker will have 15 minutes for their presentation, followed by 5 minutes of Q&A open to all participants.

3. for Poster Session Presenters
   - Presenters will be provided with a poster board (841W x 1189H mm).
   - The suggested poster size is 841W x 1189H mm (A0), and can be positioned vertically.
   - You can display your poster during from 10:30 to 16:40 on May 22th Friday.
   - You should make a presentation in front of your poster during from 13:30 to 15:00 (Core Time).
   - Please remove your poster by yourself after poster session.
